For Immediate Release

The Delaware Division of the Arts Mezzanine Gallery is pleased to present an exhibition of paintings by Aaron Keith Hoffer during the month of February. *Psychic Future* will be on view from February 5-26, with an opening reception on Friday, February 5 from 5-7 p.m.

Hoffer's abstract paintings are created through the use of materials that repel, interact and converge on the surface. He

explains that his aim is “to achieve a sense of wholeness in an abstract context through sheer sensory overload.” Hoffer, a resident of Kent County received his BFA from the University of Delaware in 2013.
